TEAM MEMBERS AND ROLES

Name	Job title or role
Rishi Patel	Developer and Business Analyst
Le Vy Pham	Project Leader & Developer
Devangbhai Pandit	Developer

TEAM VALUES AND PRINCIPLES

ID	Value or principle
1	We will not be afraid to ask for help and help each other without hesitation
2	We will not judge on the basis of their work, try to meet weekly goals by attending weekly team and professor meetings.
3	We will plan out all of the details about what we need to do first but at the same time, keep in mind to be flexible if there is any challenge happening on the way
4	We will try to finish everything on time and do not let things pile up at the end.

MEETING GUIDELINES

ID	Guideline
1	We will meet every Tuesday at 3 PM in person
2	We will discuss all aspects and respect each other's decision
3	We will meet the weekly deadlines and have a deep discussion on the sprints to get clarification on the progression of the project.
4	We will make sure to do research by ourselves first so that when we meet each other, we can discuss things we do not understand or are not sure about.
5	We will try to finish our work on time so that it doesn't affect other team member's work

COMMUNICATION GUIDELINES

ID	Guideline
1	Anything important or urgent will be discussed via phone or WhatsApp
2	Day-to-day work discussions and quick questions will be handled via WhatsApp group chat.
3	Do not shy to share what we do not know and ask for help

MISSION AND OBJECTIVES

ID	Mission and Objectives
1	Deliver a stable and fully functional MVP to our Client that is stable, working with testing.
2	To gain practical experience and skills while planning, developing, tackling down the consequences and providing a well-functioning project from start to completion.
3	To strengthen collaboration and communication skills within the team by working efficiently and responding effectively until the development succeed.
4	A successful project at the end would deliver the best possible product to the client but at the same time, as the team, we work together to tackle all of the obstacles on the way. I hope to gain new experiences working with other team members and through the process of completing a project.

TEAM OPERATIONS

ID	Team Operations
1	Each team member commits **6–8 hours per week** to project work
2	Regular meetings will occur once per week, in person on Tuesday at 3 PM. Optional Meeting also available via WhatsApp Call or Google Meet
3	The preferred decision-making strategy will be a consensus. All the important decisions will be taken after the agreement from every team member, ensuring shared responsibility and commitment.
4	Work will be allocated on the basis of strength and skills. Every assigned work will be tracked with deadlines via WhatsApp group chat or through any communication tool like Microsoft Teams.
5	In case of low participation, or not showing up to meetings, it is up to the individual to tell beforehand to the group the reason and arrange a new meeting. After 2 times, the matter will be reported to the professor.
